Remarks

Immaculate and move-in ready home on a cul-de-sac lot. This spectacular floorplan is a rare find with 4 bedrooms plus a den, and 3 full bathrooms. The kitchen boasts natural wood cabinets with lighting both above and below, granite counters, and center island with sink and R/O system. Vaulted ceilings in the great room create a spacious feel and allow lots of natural light. The master bedroom is split for privacy, and the attached bath has dual sinks and a \$15,000 custom tiled shower. Head outside to find a beautifully landscaped yard with mature palm trees and desert shrubs, and an extended patio with firepit. Recently updated in 2025 with new carpet in most rooms and a new water heater, plus a new washer/dryer set in 2024. Furnishings available on a separate bill of sale.
